

# Getting started with Sqwire is simple.

Your path to financial wellness is just a few clicks away.

Of course, if you find yourself having difficulty at any point in this process, you can email our support team and we'll jump right in to help.

Our support team email address is **info@getsqwire.com**.

We can't wait to see you on the other side!

## First, go to your unique homepage to register.

When your company or organization partners with Sqwire, you'll get a link via email to get you started on the Sqwire platform.

## Next, enter your special access code.

You'll get that via email as well. Just punch in the code at checkout and you're almost in.

A stylized illustration of a login form. It features a "Login" heading, an "Email" input field, a "Password" input field, a "Remember Me" checkbox, and a "Login" button.

## Finally, create your personal account.

Username and password—pretty standard stuff. Once you're in, take a look around and find a place to get started. *It's really just that simple!*
