

Credit Score Worksheet

Gather your scores from each credit bureau and also record your FICO score below. Remember, if you are married, it's important to do this exercise with your spouse.

My Experian score is _____

My Equifax score is _____

My Trans Union score is _____

My FICO score is _____

Analyze the reports; are there any major discrepancies?

If so, the steps I will take to fix them are:

What is one thing I/we can do to improve our credit score(s)?

I/we will hold ourselves accountable by doing...
